Captain Joe is celebrating 35 years of selling fresh seafood in West Ocean City.

Fresh head-on shrimp: When you cook shrimp with the heads on, it keeps all the juices and flavor inside the shrimp and enhances the flavor. We can offer suggestions on how to cook, or we can cook it for you...

A little history...Joe started selling out of the back of a truck in 1989. In 1990 he started selling out of the back of a boat. "I've owned fifteen boats in my lifetime and this is the only one that has ever made me money," Joe jokes.

He started with shrimp only then added clams and now has a full line of fresh seafood. The Shrimp Boat has always been a family operation. Joe has turned the day to day operation over to Joe White...who has worked at the boat since he was a teenager. Joe has brought a new fresh look to the dining room and BIG FAT CRABS... and lots of them to the boat so now we have the FRESHEST SHRIMP AND CRABS.

Captain Joe's Restaurant remains a favorite place for locals and tourists alike to enjoy the freshest seafood, a cold beer or a glass of wine in OC.

Captain Joe says: "Try it before you buy it. I want people to know they are getting the freshest product possible."

Come visit and try it...you'll love it!
